ENACTS

ARTICLE 1: Definitions

1. For the purpose of this Regulation, the following definitions shall apply:
 - i. **ECOMAC** is the database developed by the ECOWAS Commission for use by the Member States and Regional Institutions in view of facilitating the preparation of the follow up reports under the Multilateral Surveillance Mechanism of the economic and financial policies of Member States.
 - ii. **Member States** are the fifteen ECOWAS Member States.
 - iii. **Regional institutions** are the regional institutions involved in the supervision of the ECOMAC updating exercise, in collaboration with the ECOWAS Commission: the Commission of the West African Economic and Monetary Union (UEMOA), the Central Bank of West African States (BCEAO), the West African Monetary Agency (WAMA) and the West African Monetary Institute (WAMI).
 - iv. **Database updating:** the data capture and data validation.
 - v. **Supervision:** it consists in reminding Member States of the updating of the database and controlling the data collected.
 - vi. **Data uploading:** Data capture, done directly on line or indirectly, by completing the Excel data tables. Data processed during uploading operation are exchanged only within the national body in charge of the uploading exercise.
 - vii. **Data validation:** in the case of direct data uploading, the validation consists in confirming the data captured and sending, through Internet, updated data to the relevant regional institution. In the case of indirect uploading through the

completion of the Excel tables, the validation consists in sending, through electronic channel or any other means, the completed tables to the relevant regional institution. In both cases, the validation is done by the relevant national administrator.

- viii. **The national administrator** is the person, or group of persons, who has the password of the validation operation, communicated by the regional administrator.
- ix. **The regional administrator** is the ECOWAS Commission.

ARTICLE 2:

Creation and objective of the database for ECOWAS Multilateral Surveillance Mechanism

1. Within the framework of the multilateral surveillance exercise, a computer system for the collection, processing, storage and distribution of statistical data, named ECOMAC, is put in place by the ECOWAS Commission.
2. ECOMAC supplies statistical information on Member States and also on the economic integration zones of the region (ECOWAS, UEMOA and ZMAO).
3. The objective of the ECOMAC database is to provide the enabling environment for adequate data collection, processing and dissemination for monitoring the macroeconomic performance of Member States.

ARTICLE 3 : Content of ECOMAC

1. ECOMAC covers only economic, financial and monetary data on ECOWAS Member States, necessary for the monitoring of the convergence criteria as well as the economic performance analysis of the Member States.
2. More specifically, ECOMAC contains 13 tables, in Excel format :
 1. Table A: Government financial operations
 2. Table B: Accounts of the central bank

3. Table C: Accounts of deposit money banks
4. Table D: Consolidated accounts of the banking system
5. Table E: Foreign assets and liabilities of the banking system
6. Table F: Selected interest rates
7. Table G: Balance of payments
8. Table H: Exchange rates
9. Table I: Public debt stock
10. Table J: GDP at current prices
11. Table K: GDP at constant prices
12. Table L: Inflation rate
13. Table M: Consumption price index.

ARTICLE 4 :

Frequency of the updating exercise

1. The updating of the database shall be done on a quarterly basis, both by Member States and regional institutions. At each updating, the status of the information (forecast, provisional or final) shall be indicated and clearly reflected by the database.
2. Data updating for each quarter shall be completed by the end of the second week of the second month of the following quarter, for Member States, and by the end of the last week of the second month of the following quarter, for the regional institutions.
3. Between two updating operations, Members States shall communicate to regional institutions any updating that can occur. This communication shall be made through media other than the ECOMAC.

ARTICLE 5 : Role of regional institutions

1. The regional Institutions shall be in charge of the supervision of the updating exercise by the Member States under their responsibility.
2. The UEMOA Commission, in collaboration with BCEAO, shall supervise the data updating of the UEMOA Members States (Benin, Burkina Faso, Côte d'Ivoire, Guinea Bissau, Mali, Niger, Senegal and Togo); WAMA shall supervise the data updating for the WAMZ countries (Gambia, Ghana, Guinea, Nigeria and Sierra Leone); WAMI shall supervise the data updating for Cape Verde and Liberia.

3. The Joint WAMA/ECOWAS Technical Secretariat shall supervise the overall data updating exercise.

ARTICLE 6: Role of Member States

1. Member States shall be in charge of the ECOMAC updating. The updating is carried out by the National Coordination Committees (NCC/CNPE).
2. Member States shall communicate to the relevant regional institutions the required data for the regular updating of the database. They shall supply also supplementary information (metadata), including changes in compilation methodologies (changes in methods, changes of base year, etc.), which the relevant regional institutions would need for the adequate appreciation and analysis of the information communicated.

ARTICLE 7 :

Editing and dissemination format

The format for the editing and dissemination of ECOMAC data shall be as contained in the attached document.

ARTICLE 8 :

Exchange of data between institutions

ECOMAC data shall be exchanged between regional institutions according to the Protocol on statistical data exchange between UEMOA Commission, WAMA, WAMI, AFRISTAT and ECOWAS Commission.

ARTICLE 9 : Implementation

1. Member States undertake to update ECOMAC on a regular basis.
2. The Commission of ECOWAS, in collaboration with the other regional institutions, shall support Member States in the updating of ECOMAC, particularly through capacity-building (institutional assistance, training, equipment).
3. With a view to following-up the implementation of this Regulation, the regional institutions, under the coordination of the ECOWAS Commission, and as regularly as necessary, shall propose modifications relating to the list of indicators of the database and data formats,

as well as necessary arrangements relating to the functioning and adaptation of the ECOMAC updating mechanism. The proposals shall be discussed with Member States. The discussions shall take place within the framework of existing institutional meetings, or other meetings that the ECOWAS Commission shall organise.

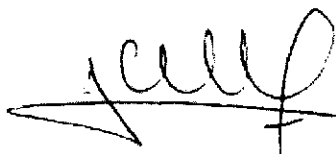

ARTICLE 10 : Monitoring of Implementation

The ECOWAS Commission shall monitor the implementation of this Regulation.

ARTICLE 11 : Final Provision

This Regulation shall be published by the ECOWAS Commission in the Official Journal of the Community within thirty (30) days of the date of its signing by the Chairperson of the Council of Ministers. It shall also be published by each Member State in its Official Gazette within the same timeframe.
