- (13) The Homeowners Association shall be responsible for implementing the architectural and urban design controls while the Municipality shall only be responsible for implementing the National Building regulations and the Town Planning controls. The Homeowners Association shall have the right to make amendments to the architectural code from time to time, subject to such amendments being approved by the Building Committee of the Homeowners Association and the Board of Directors of such Association.
- (14) Prior to the lodging of any building plan with the Municipality for approval, the Homeowners Association's consent to the building plans must have been obtained.
- (15) Prior to the occupation of any building, the Homeowners Association shall issue a clearance certificate stating that the building is ready for occupation and complies with the approved building plans.
- (16) The Homeowners Association shall be responsible for compliance with the provisions of the Services Agreement relating to the removal of refuse, and its delivery to the approved "collection points".
- (17) The Construction Phase Environmental Management Plan (EMP) prepared by WSP Environmental and submitted as part of the Scoping Report is hereby approved and the implementation of the provisions of this report shall be monitored by an independent Environmental Control Officer.
- (18) An Operational Phase Environmental Management Plan will be prepared by WSP Environmental or an Independent Environmental Consultant and shall be submitted to the Department of Agriculture and Environmental Affairs and the Municipality for approval within 6 months of the Development being granted consent in terms of the Development Facilitation Act. If this Environmental Management Plan is not approved within 30 days of its submission then the relevant authority must provide written reasons as to why the EMP cannot be approved.
- (19) A Vegetation Specialist and a Wetland Specialist shall approve the position of the no building lines for the residential properties, and the position of all roads and hardened surfaces and shall signify their approval by signing a print of the layout plan depicting these areas, which print shall be submitted to the Municipality.
- (20) A site specific geotechnical survey shall be carried out for each individual residential erf prior to the start of any construction on the erf.
- (21) Precautionary measures must be taken during the construction phase to minimise erosion. All contaminated and excess runoff must be controlled through the use of appropriate drainage structures.
- (22) All dust omissions from the site during development phase shall be contained within the site to the satisfaction of the Municipality, by whatever means it deems appropriate.
- (23) An architectural code for the development shall be created. The code shall stipulate that only subdued colours may be used in the outside finishes of the buildings and that all external lighting shall be capped or passive.
- (24) Alien vegetation on the site shall be removed within five years of approval being granted for the Development, and the areas from which the alien vegetation has been removed shall be suitably rehabilitated.
- (25) Water quality in Wetlands C, H and P (as defined by LRI in their wetland study) shall be monitored before, during and after the construction phase and if any pollution is detected, appropriate action as determined by the Independent Environmental Control Officer shall be taken to remedy the situation.
- (26) Amafa akaZulu Natali to be notified if any cultural heritage resources are discovered during the construction.
- (27) The Department of Agriculture and Environmental Affairs has the right to inspect the site at any time.
- (28) The employment of labourers during the construction phase shall not be done on site.
- (29) With respect to construction the following hours of work are applicable: Monday to Friday: 07h00 to 17h00, Saturday: 07h00 to 12h00, and no work on Sundays or public holidays.
- (30) The Homeowners Association rules shall provide that no motorbikes and/or quad bikes shall be allowed to be utilized on the estate, save for use by maintenance and security staff.
