SCHEDULE B
EXPLANATORY MEMORANDUM

1. PURPOSE

The purpose of this Explanatory Memorandum is to provide the motivation for the proposed amendment to Part 6 of the Regulations.

2. BACKGROUND

Part 6 of the Regulations became effective on 1 January 2012 and provided for a transitional period of 1 year for compliance therewith.

Part 6 of the Regulations regulates binder agreements entered into by insurers in terms of which the insurer authorises another person to enter into, vary or renew policies on its behalf.

3. THE PROPOSED AMENDMENT

The proposed amendment to the Regulations aims to address emerging undesirable practices and regulatory gaps identified post implementation of Part 6 of the Regulations.

Each of the proposed amendments is discussed in the table below:

Regulation	Amendment	Motivation
6.1	<p>“associate” -</p> <p>(a) has the meaning assigned to it in the General Code of Conduct for Authorised Financial Services Providers and Representatives as published in Board Notice No. 80 of 2003, and amended from time to time, under section 15 of the Financial Advisory and Intermediary Services Act, 2002 (Act No. 37 of 2002); and</p> <p>(b) <u>in addition to paragraph (a) includes, in relation to a juristic person –</u></p> <p>(i) <u>another juristic person that has a shareholder, director or managing executive that is also a shareholder, director or managing executive of the first mentioned juristic person; and</u></p> <p>(ii) <u>another juristic person that has a person as a shareholder, director or managing executive who is an associate (within the meaning referred to under paragraph (a)) of a shareholder, director or managing executive of the first mentioned juristic person;</u></p>	<p>To limit potential conflicts of interest inherent in certain binder function-related relationships by extending the scope of prohibited business relationships to –</p> <ul style="list-style-type: none"> ▪ mandated and non-mandated intermediaries that share shareholders, directors and executive management with non-mandated intermediaries and underwriting managers; and ▪ natural persons that are related to the shareholders, directors and executive management of a binder holder.

	<p><u>"incidental" means any activity that is necessary or expedient for the performance of a binder function;</u></p>	To clarify what constitutes matters incidental to the matters referred to in section 48A of the Act. The amendment must be read with the proposed amendments to Regulation 6.3(3)(a) and Regulation 6.4(1A).
	<p><u>"insurer" means a short-term insurer or Lloyd's, but excludes SASRIA as defined in section 1 and referred to in the Conversion of SASRIA Act, 1998 (Act 134 of 1998);</u></p>	To exclude SASRIA from the scope of the Binder Regulations. This is necessary given the fact that the Conversion of SASRIA Act read with the Reinsurance of Damage and Losses Act affords SASRIA a legislative mandate to underwrite specific risks relating to civil and labour unrest. Insurers are obliged to offer SASRIA cover to potential policyholders. SASRIA cover is non-refusable and non-cancellable by insurers. SASRIA policies may only be issued in conjunction with such other policies as are approved by the SASRIA Board.
	<p><u>(2) For purposes of subparagraph (i) of paragraph (b) of the definition of "underwriting manager", a person renders services as an intermediary within the meaning of subparagraph (i) if that person has any relationship with an insurer (including the secondment of that person's employees to an insurer or an associate of an insurer, the outsourcing of that person's infrastructure to an insurer or an associate of an insurer, or any similar arrangement) which may result in that person or its employees de facto, directly or indirectly, rendering the services referred to in subparagraph (i) above on behalf of an insurer, a potential policyholder or policyholder."</u></p>	To extend the definition of underwriting manager to strengthen the intention of the Binder Regulations. Given the functions an underwriting manager performs as the agent of the insurer and the fact that profit sharing is allowed in respect of underwriting managers only, it is essential to ensure that there is no conflict or potential conflict of interest that may significantly impact on the advice or intermediary services provided to a client. The amendment addresses an observed technical loophole.
6.2	<p>"(4) (a) An underwriting manager who is a binder holder of one insurer cannot also be a binder holder of other insurers in respect of the same class of policies defined in section 1 of the Act, unless all the relevant insurers have agreed thereto in writing."</p>	<i>Technical correction:</i> To correct a grammatical error.

I, Dube Phineas Tshidi, the Registrar of Securities Services, hereby issue under section 6(3)(k) and section 6(4)(a) of the Financial Markets Act, 2012 (Act No. 19 of 2012), this directive and guideline as it relates to infrastructures provided by companies to facilitate trading in their own securities.

Definition

1. In this Directive and Guideline, “**the Act**” means the Financial Markets Act, 2012 (Act No. 19 of 2012) and any word or expression to which a meaning has been assigned in the Act has the meaning so assigned to it.

Legal and policy framework

2. An exchange is defined as “a person who constitutes, maintains and provides an infrastructure-
 - (a) for bringing together buyers and sellers of securities;
 - (b) for matching bids and offers for securities of multiple buyers and sellers; and
 - (c) whereby a matched bid and offer for securities constitutes a transaction”.
3. The definition of an “exchange” is independent of the instrument type, volume of securities traded, market capitalisation, number of investors or the number of issuers whose securities trade on the infrastructure.

4. A person who maintains or provides an infrastructure which meets the three requirements set out in the definition, accordingly operates an exchange, regardless of whether the infrastructure is provided for transactions in only one security.

Licensing of exchanges

5. The Act clearly sets out the measures required to ensure fair, efficient and transparent markets. Non-compliance with any one of these requirements could have an adverse effect on investor protection and the market.
6. Section 7(1) of the Act provides that all exchanges must be licensed under the Act. In terms of section 109(c) of the Act a person who acts as an exchange without being licensed as such commits an offence and is liable on conviction to a fine not exceeding R10 million or to imprisonment for a period not exceeding five years, or to both such fine and such imprisonment.
7. Sections 7 to 17 of the Act set out the main requirements that applicants for an exchange licence must meet. Amongst others, the exchange (applicant) must have made arrangements for the efficient and effective surveillance of all transactions effected through the exchange and for the supervision of authorised users so as to identify possible market abuse and ensure compliance with the exchange rules and exchange directives.

Infrastructures carrying on the business of an exchange without a licence

8. A number of issuers currently provide infrastructures conforming to the definition of an exchange in terms of which the issuer facilitates trade in its own securities through an exchange platform.
9. The Registrar of Securities Services ("the Registrar"), as the custodian of the Act¹, cannot allow exchange infrastructures to operate illegally nor can a proliferation of illegal exchanges be allowed. The situation is exacerbated if the infrastructures/

¹ Sections 6(2) and (3) of the Act.

persons selling securities in the secondary market do not comply with the disclosure requirements as outlined in the Companies Act, 2008 (Act No. 71 of 2008).

10. The affairs of all unlicensed exchanges must urgently be regularised, either by these exchanges ceasing the illegal unlicensed exchange activities, or by obtaining the requisite licence to operate an exchange or by obtaining the appropriate exemption.

Exemptions

11. Section 6(3)(m) of the Act provides that:

“(3) In performing those functions the registrar-

....

- (m) may exempt any person or category of persons from the provisions of a section of this Act if the registrar is satisfied that-*
 - (i) the application of said section will cause the applicant or clients of the applicant financial or other hardship or prejudice; and*
 - (ii) the granting of the exemption will not-*
 - (aa) conflict with the public interest; or*
 - (bb) frustrate the achievement of the objects of this Act;”*

12. The objects of the Act are in turn defined in the Act as, to:

- “(a) ensure that the South African financial markets are fair, efficient and transparent;*
- (b) increase confidence in the South African financial markets by-*
 - (i) requiring that securities services be provided in a fair, efficient and transparent manner;*
 - and*
 - (ii) contributing to the maintenance of a stable financial market environment;*
- (c) promote the protection of regulated persons, clients and investors;*
- (d) reduce systemic risk; and*
- (e) promote the international and domestic competitiveness of the South African financial markets and of securities services in the Republic.”*

13. The Registrar may therefore, in terms of Section 6(3)(m) of the Act, consider a temporary, or a permanent exemption from the provisions of a section of the Act if he is satisfied that the requirements mentioned in paragraphs 11 and 12 above have been met.

14. An applicant for an exemption must motivate why it believes that it has met all the requirements for an exemption as mentioned in paragraphs 11 and 12 above. In addition, the applicant should also motivate why it believes that the Registrar should

exercise his discretion to grant the requested exemption should the Registrar be satisfied that these requirements have been met.

15. To assist applicants, the Registrar has published a standard form containing minimum information to enable the Registrar to consider such applications. This document is available at www.fsb.co.za under Capital Markets.²

Way forward

16. Any person wishing to apply for a licence to operate an exchange or for an exemption from a section of the Act, can make such application to Mr Norman Muller, Head, Capital Markets Department by email to norman.muller@fsb.co.za or via facsimile to 012 346 6533.
17. Persons currently providing an exchange infrastructure without the requisite licence, or applicable exemption, are doing so in contravention of the Act and must as such take the necessary steps to ensure compliance with the provisions of the Act.

Commencement

18. This Directive and Guideline comes in effect on the date of publication.
