MEDIA RELEASE**No. 6 OF 1995****DEPARTMENT OF FINANCE:
INLAND REVENUE****INCOME TAX: REGARDING THE INCREASE IN THE
"OFFICIAL RATE OF INTEREST" FOR FRINGE
BENEFIT TAXATION PURPOSES**

A taxable benefit accrues to an employee if a loan is granted to him and either no interest is payable by him or interest is payable by him at a rate less than the official rate of interest. The cash equivalent of the value of the taxable benefit in these circumstances is the amount the employee would have paid on the loan during the year of assessment if he had been obliged to pay interest at the official rate less the amount of interest (if any) he actually incurred during the year. At present the official rate of interest as defined in paragraph 1 of the Seventh Schedule to the Income Tax Act, 1962, is 14%.

Attention is drawn to Government Notice No. 1154 published in *Government Gazette* No. 16588 dated 4 August 1995 in terms of which the official rate of interest was increased from 14% to 16% with effect from 1 September 1995.

It is hereby notified for general information that the President has been pleased to appoint Prof C. R. M. Dlamini, Mr C. A. Erskine, Mr G. M. Nettleton and Mr L. DIE VERHOGING IN DIE "AMPTELIKE RENTEKOERS"
VIR DOELEINDES VAN BELASTING OP
BYVOORDELE**

'n Belasbare voordeel val 'n werknemer toe indien 'n lening aan hom toegestaan is en of geen rente deur hom betaalbaar is nie of rente daarop teen 'n koers laer as die amptelike rentekoers deur hom betaalbaar is. Die kontantekwivalent van die waarde van die belasbare voordeel is in hierdie omstandighede die bedrag aan rente wat die werknemer ten opsigte van die jaar van aanslag sou betaal het indien hy verplig sou wees om rente teen die amptelike rentekoers te betaal, min die bedrag aan rente (indien enige) wat hy werklik gedurende die jaar aangegaan het. Tans is die amptelike rentekoers soos in paragraaf 1 van die Sewende Bylae by die Inkostebelastingwet, 1962, omskryf 14%.

Aandag word gevvestig op Goewermentskennisgewing No. 1154 wat in *Staatskoerant* No. 16588 gedateer 4 Augustus 1995 gepubliseer is, waarkragtens die amptelike rentekoers met ingang van 1 September 1995 van 14% tot 16% verhoog word.

A. A. NIEUWOUDT AND ADRIAAN NIEUWOUDT BK**1. INTRODUCTION**

The activities of Mr Adriaan Alettus Nieuwoudt (Nieuwoudt) were brought to the attention of the Business Practices Committee (the Committee) on 9 November 1994. The Committee received a fax from a person who had been sent a pamphlet inviting him to participate in Nieuwoudt's plan to build a holiday resort in the Northern Cape. Annexure 1.

2. SECTION 4 (1) (c) INVESTIGATION

On 10 November 1994 a subcommittee of the Committee decided to undertake a preliminary investigation in terms of section 4 (1) (c) of the Act into the business practices of Nieuwoudt.

An investigation in terms of section 4 (1) (c) of the Harmful Business Practices Act, 1988 (Act No. 71 of 1988) (the Act), enables the Committee to undertake such preliminary investigation as it may consider necessary into any harmful business practice which allegedly exists or may come into existence. Notice of a section 4 (1) (c) investigation is not published in the *Government Gazette* unlike an investigation in terms of section 8 (1) which has to be gazetted.

The purpose of a section 4 (1) (c) investigation is to enable the Committee to make a more informed decision as to whether a section 8 (1) (a) investigation should be undertaken.

3. ADRIAAN NIEUWOUTD BK

Adriaan Nieuwoudt BK (Reg No. CK94/35639/23) was registered on 28 October 1994 with Nieuwoudt as the sole member and a membership contribution of R100. As the sole member Nieuwoudt was the only signatory on cheques drawn by the close corporation.

According to the founding statement of the close corporation its major business was that of developer, promoter and provider of entertainment.

4. THE "PLAN"

A member of the Committee and officials of the Committee met Nieuwoudt in Cape Town on 1 December 1994 to obtain information about his plan to finance and build a holiday resort in the Northern Cape. Nieuwoudt indicated that his proposed holiday resort would attract South Africans who found the coastal areas overcrowded and unsafe. The centre would also attract overseas holiday-makers. He could not, however, provide details of the plans. He was also not able to provide an estimate of the costs except to say that it would cost "millions". Nieuwoudt briefly explained that his method of raising finance was to elicit loans of various amounts from the public. After ten years lenders would be repaid in full plus 12 per cent per annum compound interest. In the meantime those who actively promoted the project would be rewarded by receiving double the amount that they had lent to Nieuwoudt.

Nieuwoudt was asked how he could afford to pay out double the money he received and still be able to fund the project and repay the full loan plus compound interest after 10 years. He replied that if Sol Kerzner could double an investor's stake, so could he.

At the meeting of 1 December 1994 Nieuwoudt indicated that he had redrafted his promotional pamphlet. He presented a copy of this document, dated 25 November 1994, to officials of the Committee (Annexure 2). This document was drafted as a sworn affidavit and informed prospective lenders that the promotional campaign would last until 31 December 1995. Lenders who did not receive double the amount they had lent to Nieuwoudt by this date would be offered shares in a company to be established.

At a subcommittee meeting of the Committee on 20 December 1994 it was decided that the offices of Nieuwoudt should be visited. Officials of the Committee visited his office in Garies on 3 and 4 January 1995. On 3 January there were three employees who opened envelopes and sorted the incoming post, one of which was responsible for depositing all monies received. A fourth employee typed the names of all individuals who had lent money to the project, and the amounts loaned, into a computer on a data basis.

Nieuwoudt explained that he planned to establish a holiday centre on the banks of the Orange River near Pella and Pofadder in the Northern Cape. He intended to build an international airport to cater for overseas visitors and to transport them to various destinations in Southern Africa. He said that he had been in contact with the municipality of Pofadder who had land available for this purpose. Sufficient water and Escom power would also be available for the project. According to Nieuwoudt ordinary people in South Africa had never had the opportunity to participate in projects of this kind. As soon as the envisaged project was on line the close corporation would be converted into a public company, hopefully attracting overseas investors. Nieuwoudt would then withdraw from the project and leave it to the "experts".

Nieuwoudt was asked to explain how he had distributed the pamphlets promoting the plan. He explained that he had placed pamphlets in all the mail-boxes in Garies and Springbok. The post office in Garies sent 100 pamphlets to each post office in small towns and 500 pamphlets to each post office in bigger towns and cities.

Seventy per cent of the investors were from Vredendal, Garies and Springbok and the remaining thirty per cent were from various parts of the country. According to Nieuwoudt the success of the project could be measured in terms of the money he had raised.

Prior to the registration of the close corporation on 28 October 1994 all amounts received were deposited in the personal bank account of Nieuwoudt. At the end of business on 3 January 1995 more than R2,8 million had been deposited in the accounts of Nieuwoudt and the close corporation. Seventy per cent of all loans received were deposited in a deposit account and the remaining thirty per cent in a current account. Nieuwoudt signed a mandate authorising the bank to credit all deposits in the ratio of 70 : 30 to deposit account and current account respectively. Funds in the current account were utilised to compensate lenders for promoting the plan, while the balance was kept in the deposit account for bringing the plan to fruition. Interest earned on the deposit account was transferred to the current account to defray administrative expenses. At the beginning of January 1995 interest on the deposit account amounted to approximately R20 000 per month.

Nieuwoudt indicated that he expected to receive loans of R100 million during 1995. He said that he would see how far he could go on the project with this amount. He also said that he needed funds to employ experts to draw up plans for the project. With the available R2,2 million he could start to formulate a plan.

Nieuwoudt was asked to explain how he calculated the amount to be paid out for promotion. His response was that he had told prospective lenders that 30 per cent of their loans would be utilised for promotion. Four weeks after the campaign started 30 per cent of loans received was enough to pay the first lenders double the amount of their loans. At a meeting on 19 January 1995 Nieuwoudt told the Committee that from the 4 000 loan applications received so far in 1 000 cases were investors eligible to the repaid double their investment. Nieuwoudt indicated that in many instances people reinvested after receiving double the amount of their original investment.

When questioned about repayment of the loans after 10 years at 12 per cent per annum compound interest Nieuwoudt replied that he made calculations of the cost involved in borrowing money from the bank. On the assumption that the current interest rate on an overdraft was 18 per cent, the R7 which was the amount Nieuwoudt had available after deducting the promotion money from a R10 loan, was borrowed from the bank, R36,60 would have to be repaid after 10 years. Nieuwoudt was borrowing R10 via loans from the public at 12 per cent per annum compound interest and would have to repay R31,06 after 10 years compared to R36,60 which would have to be repaid to the bank after 10 years on a loan of R7. It was, however, pointed out to him that since during the promotion period, he would have only 70 per cent of all loans available to earn the income promised and he would therefore have to earn more than the 12 per cent in order to repay the loan plus 12 per cent compound interest as promised.

5. PROMOTION OF THE "PLAN"

The administration of the scheme employed by Nieuwoudt at the beginning of January 1995 was most unsatisfactory. The scheme operated as follows:

Mr X decides to lend R1 000 to the close corporation. He sends his application form, a crossed postal order or bank-guaranteed cheque payable to Adriaan Nieuwoudt CC and two stamped self-addressed envelopes to Nieuwoudt. The postal order or cheque is deposited, 70 per cent of the amount to the deposit account and 30 per cent to the current account of the close corporation. One stamped self-addressed envelope is used to send Mr X's receipt and promotional material to him. He is supposed to continue with the promotion of the plan. The other stamped self-addressed envelope is filed together with the application form. The amount of the loan is written on one top corner of the envelope while the date on which the loan was received is written on the other top corner of the same envelope. At the end of the day all the R1 000 loan application forms received that day are bundled together with a rubber band, in alphabetical order, and filed on a shelf in the office. The same procedure is followed for the R10 and R100 loan applications. At the same time all particulars relating to these loans are fed into a computer.

When deposits are made at the bank, calculations are made immediately by the employee responsible for deposits to determine the amount available for promotion. A small piece of paper, attached to every duplicate deposit slip, is used to note the amount available to pay out that day and the amount actually paid out. Those who invested first are first in line to receive repayment of double the amount of their loan. As each payment is made the amount available to pay out that day is reduced and when the balance to be paid out as a promotion for the next eligible lender is too small, it is carried over to the following day. The second self-addressed envelope is used to send the "compensation for promotion undertaken" cheque to the lender.

When officials of the Committee visited the offices of Nieuwoudt on 3 and 4 January 1995 he admitted that there was no way that he could establish who was actually, actively promoting the plan.

In various pamphlets sent to prospective investors it has been indicated that the promotional campaign, which he called the "Bonanza", would last until 31 December 1995. The last investors during 1995 would therefore not receive the Bonanza, but would be offered shares in the company to be established. They would also still receive interest on their investment.

In a pamphlet dated 19 December 1994 (Annexure 3) Nieuwoudt informed prospective participants that people who started similar projects 10 years ago received 100 times the amount initially invested and these individuals were now allegedly among the richest in the world. He failed, however, to disclose how many people had lost money. In the same pamphlet it is reiterated that 12 per cent per annum compound interest would be paid to investors after ten years.

When officials of the Committee visited the offices of Nieuwoudt on 3 and 4 January 1995, it has been pointed out to him that his record keeping methods were unsatisfactory. He replied that it was working for him since he could immediately attend to any enquiry. It was pointed out to him that he has no financial accounts. The documents in his office were only source documents which were supposed to be used to draw up financial statements. It was also brought to his attention that in any business where money was received an up-to-date cash book was a prerequisite. No such cash book was found in his office. He agreed that the volume of transactions would increase and therefore undertook to keep a record of each transaction as from 4 January 1995. He estimated that up to 50 000 investors could eventually be involved in the scheme.

Apart from agreeing to keep a record of each transaction, Nieuwoudt did not pay much attention to the administration of his office. He said that his accountant would attend to all the financial records as soon as he (the accountant) returned from holiday and that an expert (engineer) would immediately attend to plans for the first phase of the project.

On 4 January 1995 Nieuwoudt was asked to inform the Committee about his promotional plan as well as the way in which his administration was being handled. His reply was that he did not realise how successful the raising of funds would be and that when the money started coming in, his assistants were away on holiday. He agreed to meet with the Committee to provide explanations concerning his promotional plan.

In a pamphlet dated 16 January 1995 (Annexure 4) Nieuwoudt informed participants in his scheme that he had amended his promotional campaign as a result of his discussions with officials from the Department of Trade and Industry. In this pamphlet Nieuwoudt confirmed his undertaking to repay all loans after ten years. He also stated that investors would share in any profits generated by the close corporation to a maximum of 12 per cent per annum compound interest.

6. MEETING WITH THE COMMITTEE

On 19 January 1995 Nieuwoudt met a subcommittee of the Committee to explain his business plan. He was asked to inform the members of the subcommittee how he intended to raise the funds required to execute his plan.

He explained his promotional campaign and also indicated that he noted the concern of the Committee regarding his administration. He said that on 5 January 1995 he installed a complete business programme on computer.

He claimed that a formal investigation into his business was not justified because he had undertaken to co-operate with the Committee by supplying all information required immediately. He also stated that no investor could in any way be harmed by his fund-raising campaign. He informed the Committee that he had raised approximately R6 million of which about R1,2 million has been paid out to those who promoted the plan.

The Committee informed Nieuwoudt that it was not investigating his business plan. It was looking at his method of raising money from the public. It was explained to Nieuwoudt that he was taking money from the public and making promises and commitments to them. At his own discretion he was repaying promoters of the scheme the money which new investors were putting into the scheme. It was a fact that new investors were financing the promotional campaign. It was therefore quite clear that the last investors were likely to lose their money.

Nieuwoudt admitted that his scheme operated like a pyramid, but claimed that when he put the pyramid into "a nuclear reactor the pyramid emerged as a diamond"!

Nieuwoudt was also informed that some form of security would be required to protect the investments by the public.

7. SECTION 8 (1) (a) INVESTIGATION

After the meeting with Nieuwoudt on 19 January 1995 the Committee decided to institute a formal investigation in terms of section 8 (1) (a) of the Act into the business practices of Nieuwoudt and Adriaan Nieuwoudt BK. This investigation was, in terms of section 8 (4) of the Act, announced in General Notice 68 of 1995, which appeared in Government Gazette No. 16161 of 25 January 1995.

Nieuwoudt was informed about the decision of the Committee to institute a formal investigation and he requested a meeting with the Committee. This meeting took place on 23 February 1995 when he and two legal representatives met a subcommittee of the Committee at the offices of the Committee. The subcommittee again explained its concern with Nieuwoudt's method of raising funds from the public and the payment made to promoters. After consultation with his client the legal representative indicated that Nieuwoudt was prepared, in terms of section 9 (1) of the Act, to enter into an arrangement with the Committee on the future of his plan.

8. COMMENTS RECEIVED

During March 1995 comments were received from disillusioned investors who were dissatisfied with the way in which the scheme was being handled. One investor, claiming to represent all investors, requested the Minister to assist them in their attempts to have their investments refunded. There were some happy investors, those who had received 100 per cent return on their investment.

Another investor received letters from Nieuwoudt (Annexures 5, 6 and 7) in which it was explained that the promotional campaign had come to an end and that 70 per cent of any loan made after 1 December 1994 would be refunded should the lender so require. This investor questioned the validity of the claim by Nieuwoudt that 30 per cent of his loan had been utilised for the promotional campaign. The application form did, however, state clearly that 30 per cent of loans would be utilised for the promotional campaign.

9. EVALUATION OF THE BUSINESS PRACTICE

The Committee is of the opinion that the method employed by Nieuwoudt in compensating people for promoting his plan, was prejudicial to later investors. He could not establish who actually promoted the plan. New investors were financing the promotional campaign. It was therefore quite clear that the last investors were likely to lose their money.

10. ARRANGEMENT IN TERMS OF SECTION 9 (1) OF THE ACT

It was agreed that the Committee would enter into an arrangement with Nieuwoudt in terms of section 9 of the Act. The arrangement would include a commitment by Nieuwoudt to cease his promotion campaign immediately and that no further loans would be raised from the public. All loans received after 25 February 1995 would immediately be returned to the investor. A public company would be registered to execute the "Plan". Proof would have to be provided by an auditor, appointed by Nieuwoudt, that the loans received between 1 December 1994 up to and including 23 February 1995, had been repaid to lenders who requested refunds. The auditor would also have to report to the Committee on the return of all loans received after 23 February 1995. A public company would be established and shares would be issued to all those investors who have not claimed refunds of their loans. Further proof would have to be provided by the auditor that all lenders who had made loans after 1 December 1994, and who did not request refunds, have received shares in a public company which is to be established.

11. RECOMMENDATION

In the light of the arrangement agreed on with Nieuwoudt it is recommended that the Minister does not take any steps in terms of section 12 of the Act. It is, however, recommended that the Minister confirms the arrangement in terms of section 11 (2) of the Act, as set out in the Schedule attached to this report.

PROF. LOUISE A. TAGER,

Chairman: Business Practices Committee.

ADRIAAN ALETTUS NIEUWOUDET.

STAP 4: Om die meeste regverdige voordeel vir u werk te gee, gaan ek die waarde van u reclame bepaal op 'n persentasie van al die beleggings wat ek in die 4de week vanaf u deelname ontvang het. Bv. almal wat gedurende week 10 begin het om reclame te doen, gaan gesamentlik tot 30% van die bedrag wat gedurende week 14 ontvang word kry. 'n Maksimum van R30 vir die R10, R200 vir die R100 en R2000 vir die R1000 kategorie sal betaal word. Deur hierdie geld weer te belê, kan u dus 'n reuse bedrag aan beleggingskapitaal opbou.

MY BOODSKAP: Ek beplan om u in 'n stadium, na die opstel van die prospektus, 'n keuse te bied om u lening in aandeelhouding te omskep. 'n Aandeelhouding in hierdie reuse vakansieprojek kan vir u miljoene in die toekoms beteken. Hierdie projek is beplan en bedoel om ons land te red. Miljoene mense van oor die hele wêreld gaan daagliks huisende miljoene rand in hierdie mensgemaakte wonderland spandeer. As u 'n beter plan het, laat ek hoor of bly stil en neem deel.

DRA DIE BOODSKAP OOR EN WORD RYK !!!

NB1: Lees asseblief alles op die keersy en maak seker dat u dit verstaan. Moet asseblief geen kontant of ongekruisde wissels stuur nie. Doen skriftelik navrae indien u na drie weke een ontvangsbewys ontvang het nie.

NB2: Dit is 'n bekende taktiek van die pers, om op aandrang van die geldmagte, 'n bedryf met bedrieglike beriggewing of 'n ondersoek deur 'n enkele Minister af te skiet. Indien so 'n ondemokratiese poging teen hierdie plan gevoer sou word, behou ek die reg voor om in belang van die bedryf enige reklamegeld wat verdien word terug te hou totdat die uitslag van so 'n ondersoek bekend is of daar 'n behoorlike regstelling van 'n verdraaide berig gemaak is.

DEELNAME AAN DIE GROOT PLAN:

Vind asseblief hiermee my lening aan u vir die beplanning en reclame van DIE GROOT STAD. Ek sluit die bedrag van R..... in. Ek verwag dat u hierdie lening binne 10 jaar met saamgestelde rente, bereken teen 12% per jaar, aan my sal terugbetaal word. Ek wil ook graag teen vergoeding reclame vir die plan doen. Ek verstaan dat die reklamegeld wat ek kan verdien nie deel van die terugbetaling van my lening uitmaak nie en dat u nie verplig is om enige reklamegeld aan my te betaal indien die poging onsuksesvol is nie. Ek aanvaar ook paragraaf NB2.

SAKEVERKLARING VAN DIE GROOT PLAN

Ek, Adriaan Alettus Nieuwoudt van Rondawel, Garies, verklaar onder eed as volg:

Ek wil met die oorvloed water van die Oranje, die ruimtes van Noordkaapland in 'n super ontspanningsoord vir die vakansiegangers van die wêreld ontwikkel.

Ek wil van kundige mense 'n wonderland laat uitlê en beplan. Hierdie beplanning sal saamgevat word in 'n brosjure.

Om aandeelhouding op internasionale vlak te bekom gaan die brosjure ingesluit word by 'n prospektus.

Ek het hierdie saak wyd bespreek. Almal is dit eens dat hierdie projek honderde miljarde rand na Suid-Afrika kan laat vloeи in die vorm van Internasionale valuta. Eers deur aandelekapitaal en later deur besoekers aan hierdie "ontspanningsmekka".

Met die huidige tendens van wêreld vrede, sal daar 'n behoefté ontstaan aan 'n plek wat akkommodasie kan bied vir wêreldbyeenkomste. Ons kan daardie plek vir die wêreld bied.

Ek beplan dat die projek as 'n nasionale poging aangepak moet word om te verseker dat ons al die beskikbare hulp van die Staat sal kry. Die mense wat aan die plan glo moet met eie fondse 'n bydrae maak. Met die nodige Casino-regte en doeane punte vir buitelandse vlugte kan ons hierdie plan aan die wêreld verkoop.

Om die plan van die grond af te kry het ek 'n reklame veldtog begin. Hierdie veldtog gaan tot die 31ste Desember 1995 duur. Die deelnemers aan die plan word gebruik om self die reclame vir die plan te doen. 'n Reklame opdrag word aan deelnemers gegee na hul deelname. Dertig persent van al die kapitaal word as reclamevergoeding uitbetaal in volgorde van deelname. Die res van die geld word na aftrek van ander koste vir die projek belê teen maksimum rente. Ek het twee maande gelede met die veldtog begin en het tot op datum reeds twee-honderd duisend rand belê nadat alle koste van die veldtog afgetrek is.

Ek het nou 'n beslote korporasie vir die doel van die veldtog gestig. Om te bewys dat al die geld slegs vir die projek gebruik gaan word, gaan die rekenkundige beampete van die BK maandelikse state opstel wat van hom verky kan word. Hy is mnr. A.F. le Roux van Le Roux en Kie, Bellville.

Die oorspronklike van hierdie verklaring word beëdig.

PROMOSIEVELDTOG EN OPDRAG AAN ALLE AGENTE

DOELSTELLING:

Die doel van die promosieveldtog is om fondse in te samel vir die daarstelling van 'n internasionale akkommodasie-punt met aanvaarbare landingsgeriewe te Pofadder, langs die Oranjerivier in Noordkaapland. Georganiseerde buitelandse toergroepe sal in staat wees om vanaf hierdie sentrale punt Suidelike Afrika se uitstaande besienswaardighede te besoek. Hierdie is ons eerste projek van die beplande toerisme/vakansie mekka.

HOE KAN U HIERBY BAAT VIND:

Lenings word deur die publiek beskikbaar gestel aan Adriaan Nieuwoudt BK. vir die doel soos hierbo uiteengesit. 70% van alle lenings aan die BK. word teen rente belê vir die projek. Die orige 30% word aangewend as promosiegeld vir die veldtog.

Alle beleggers se name word op die dag van deelname gelys en uitbetaling van promosiegeld vind streng volgens hierdie volgorde plaas. Wanneer die belegger kwalifiseer vir uitbetaling van promosiegeld, word promosiegeld gelykstaande aan dubbel die bedrag van sy lening aan hom uitbetaal. (Bv. Lening = R1 000, Promosiegeld is dus R2 000). Hierdie promosiegeld wat aan die belegger betaal word, het geen effek op enige lening wat die belegger aan Adriaan Nieuwoudt BK. gemaak het nie.

Die BK. onderneem om alle lenings binne 10 jaar aan beleggers terug te betaal. Om die mees regverdige bedeling vir die beleggers te bewerkstellig, sal die beleggers geregtig wees om te deel in enige opbrengste wat deur die BK. gegenereer word en wat bereken sal word teen 'n saamgestelde rentekoers tot 'n maksimum van 12%. Enige opbrengste wat die perk van 12% saamgestelde rente oorskry, sal winste vir Adriaan Nieuwoudt BK. wees.

Hierdie promosieveldtog word beplan tot 31 Desember 1995.

L.W. Die rede vir bogenoemde aanpassing het ontstaan na samesprekings met die Departement van Handel en Nywerheid. Alle beleggers wat voorheen by die veldtog betrokke geraak het, sal steeds volgens ooreenkoms hanteer word.

OPSOMMEND:

1. U staan dus 'n kans om groot voordeel uit hierdie opwindende veldtog te trek. Tans word daar reeds weekliks honderde duisende rand as promosiegeld uitbetaal.
2. Beleggers wie aan die einde van die veldtog nie gedeel het in promosiegeld nie, sal soos al die ander beleggers winsdeling geniet tot 'n maksimum van 12% saamgestelde rente op datum van uitbetaling. Lede van die BK. sal alleen deel in winste wat bogenoemde rentekoers oorskry.

Alle werknemers en agente verbonde aan Adriaan Nieuwoudt BK. onderneem om alleen gedokumenteerde inligting aan die publiek bekend te maak.

NAVRAE DIE GROOT PLAN BELEGGING

Dit is ongelukkig so dat ons nie verder promosiegeld meer betaal nie.

Ons is egter nie gestop om met ons beplande projek voort te gaan nie.

Ek is ook nie van plan om vir u 'n volle tien jaar te laat wag op die terugbetaling van u lening nie. Ek het hierdie projek begin om vir die mense wat my vertrou geld te verdien en dit is wat ek gaan doen.

Die eerste projekte wat ons gaan aanpak is om op die sentrale plattelandse dorpe akkommodasiegeriewe vir buitelandse toeriste te bou. Vanaf hierdie punte gaan hulle dan per vliegtuig na die verskillende punte van besienswaardighede geneem word.

U sal egter gereeld op hoogte van sake gehou word. So lank u deel van hierdie projek is sal u ook deel hê in elke £ of \$ wat ons in hierdie land inbring.

Met vriendelike Groete

BELEGGING GROOT PLAN:

Ons promosieveldtog is op onwettige wyse deur sekere amptenare van die Staat gestop. Hierdie optrede is laakkbaar en heeltemaal in stryd met ons nuwe Grondwet.

Ek kan egter voortgaan met my toerisme projek. Ek glo dat ek vir die mense wat aan my glo en n belegging hier gemaak het groot winste in die toekoms sal kan beding. Daar is egter beleggers wat nie verstandig opgetree het nie en nou verplig is om n terugbetaling aan te vra. Ek is bereid om hierdie beleggers te help solank dit nie ten koste van ander beleggers geskied nie. U moet dus bereid wees om die verlies van 30% wat aan die promosieveldtog spandeer is te dra.

U moet egter daarop let dat hierdie terugbetaling nie tot u voordeel is nie. Beleggers wat n beter bedeling wil hê moet wag dat ons met sake begin. U sal van tyd tot tyd ingelig word hoe sake staan.

VORM VIR TERUGBETALING VAN LENING:

Ek die ondergetekende het na 1 Desember 1994 n belegging by Adriaan Nieuwoudt BK gemaak en nog geen promosiegeld ontvang nie. Aangesien 30% van hierdie geld aan promosie spandeer is en ek nie kan wag om te deel in moontlike winste nie, wens ek as volg:

Dat Adriaan Nieuwoudt BK 70% van al die lenings wat ek na 1 Desember 1994 gemaak het aan my sal terugbetaal as volle vereffening van die skuld. Dat al my transaksies met Adriaan Nieuwoudt BK hierdeur gekanselleer word en my naam van die lyste geskrap word.

SCHEDULE**CONSUMER CODE FOR DIRECT SELLING****1. INTRODUCTION**

The physical movement of products and the transfer of ownership or right of use from manufacturers to consumers is called distribution. The necessary functions to transfer ownership are either carried out through a channel of distribution which comprises all the firms (channel members or middlemen) involved with the exchange of the products or by the manufacturer himself. The latter is called direct selling. Firms selling directly to consumers engage sales persons who are employed either full time or part time and receive fixed salaries, commission only or a combination of a salary and commission.

This Code is intended to govern the conduct of all firms involved in direct selling and sales persons employed by these firms. The Code embodies principles which have been observed by the majority of members of the industry for many years. The principles set out do not interpret, qualify or supplant the law of the land, and are not intended to be applied to non-consumer sales. These principles also do not replace the rights or remedies a consumer may derive by virtue of any agreement, the common law or any legislation. It is nevertheless conceivable that conduct which is the subject of a contract and which may not be in conflict with statutory or common law, may still amount to an unacceptable business practice in terms of the Harmful Business Practices Act, 1988.

This Code is based substantially on the existing Direct Selling Association (DSA) Code of Practice and this body supports this Code. DSA members' turnover for the year ended 31 August 1994 amounted to R914 million and they employ 101 600 sales persons. A consumer who is dissatisfied with the treatment he has received from a direct selling firm is urged to submit his complaint to the DSA. Should a consumer also be dissatisfied with the DSA's handling of the complaint, the matter could be referred to the Business Practices Committee.

When considering complaints, the Business Practices Committee (the Committee) will take the provisions of the Code into account in determining whether the conduct complained about constitutes a harmful business practice. This applies irrespective whether such direct seller is a member of the DSA. In this respect the Code is therefore more than a voluntary code of conduct. The Chairman of the Committee may appoint a Direct Selling Liaison Committee to advise the Committee on matters concerning direct selling firms.

It should not be overlooked that consumers also have a part to play. They must fully apprise themselves of their rights and obligations as they are set out in any relevant contract.

2. DEFINITIONS

2.1 "Direct selling" refers to the direct selling of consumer goods in which a sales person:

- (a) either demonstrates the product or presents a product catalogue in homes, the workplace or similar places away from shops
- (b) collects an order
- (c) subsequently delivers the goods personally or arranges delivery
- (d) collects payment for goods or arranges for payment or credit transactions
- (e) applies "person to person" selling, "party plan" selling, "multilevel marketing" and "network marketing".

2.2 "Firms" are businesses or individuals which sell directly to sellers or end users but excludes mail-order marketing.

2.3 "Direct sellers" are persons who are members of the sales organisation of a firm. They may be independent commercial agents, independent contractors, independent dealers and distributors, employed or self-employed representatives, franchisees or the like.

2.4 "Products" include goods and services.

2.5 "Selling" includes contacting potential customers, presenting and demonstrating products, the taking of orders and in the event, delivery of goods and the collection of payment.

All advertisements shall conform to the Code of Advertising Practice as laid down by the Advertising Standards Authority of South Africa and the Consumer Code for Advertising of the Business Practices Committee.

3.8 **Testimonials.** Firms and direct sellers shall not refer to any testimonial and endorsement which is not authorised, not true, obsolete or otherwise no longer applicable, not related to their offer or used in any way likely to mislead the consumer.

3.9 **Comparison and denigration.** Firms and direct sellers shall refrain from using comparisons which are likely to mislead. Points of comparison should be based on facts which can be substantiated.

3.10 **Complaints and responsibility.** In the event of a consumer complaining that a direct seller, in offering for sale the products of a firm, has engaged in any improper course of conduct pertaining to the sales representation of its goods, the firm shall promptly investigate the complaint and shall take such steps as it may find appropriate and necessary under the circumstances to assist with the redress of any wrongs which its investigation discloses to have been committed.

3.11 **Fairness.** Direct sellers shall not abuse the trust of individual consumers, shall respect the lack of commercial experience of consumers and shall not exploit a consumer's old age, illness, lack of understanding and lack of language knowledge. Direct sellers shall not induce a customer to buy only in order to do the direct seller a favour or to terminate a demonstration.

3.12 **Referral selling.** Direct sellers and firms shall not induce a customer to purchase goods or services based upon the representation that a customer can reduce or recover the purchase price by referring prospective customers to the sellers for similar purchases, if such reduction or recovery are contingent upon some unsure future event. Firms and direct sellers shall not promise or grant customers unreasonably high financial advantages for the recommendation of another customer.

3.13 **Direct sellers' compliance.** A firm shall require its direct sellers to comply with this Code.

4. DIRECT SELLER RELATIONSHIPS

4.1 **Recruiting.** Firms and direct sellers shall utilise only the highest level of ethics in recruiting direct sellers. Information provided by the firm to its direct sellers and to prospective direct sellers concerning the opportunity and related rights and obligations shall be true and complete. Firms shall not make any statement to any prospective recruit which cannot be verified or make any promise which cannot be fulfilled.

4.2 **Information.** Firms shall give their direct sellers true and complete information about their opportunities, rights and obligations and shall present the advantages of the selling opportunity to any prospective recruit in an honest and straightforward manner.

4.3 **Earnings claims.** Firms shall not misrepresent the actual or potential sales or earnings of their direct sellers. Any earnings or sales representations made shall be based upon documented facts.

4.4 **Agreement.** Firms shall give their direct sellers a written agreement to be signed by both the firm and the direct seller containing all essential details of the relationship. Firms shall inform their direct sellers of their legal obligations, including licences, registrations and taxes. On the legal termination of a direct seller's contract, firms shall not demand extra financial obligations by way of penalties. The agreement shall not absolve the firms from fulfilling their legal obligations towards the direct seller, including their obligations under common law.

4.5 **Fees.** Firms and direct sellers shall not ask other direct sellers to assume unreasonably high financial obligations such as entrance fees, training fees, franchise fees or others related solely to the right to participate in the business.

4.6 **Returns.** Firms shall permit all direct sellers, including at termination, to return unsold, but resalable goods, for resale in good condition within 90 days of purchase for their net purchase price less a reasonable handling charge or not more than 25 per cent of their original purchase price.

4.7 **Inventory.** Firms shall not require or encourage direct sellers to purchase product inventory in unreasonably large amounts. The following should be taken into account, when determining the reasonableness of product inventory: The relationship of inventory to possible sales expectations, the nature and competitiveness of the products and the market environment, and the company's product return and refund policies.

4.8 **Recruiting reward.** No firm or direct seller shall represent that benefits can be gained solely by introducing others and must promote the business as an opportunity for every participant to retail *bona fide* products to consumers at a realistic profit. Compensation must be tied to ultimate sales. Reasonable cash rewards and other incentives for bringing in new recruits are acceptable. Recruiting can be rewarded by offering incentives based on another recruit's sales.

4.9 **Compensation and account.** Firms paying compensation to direct sellers shall provide active direct sellers within reasonable periods of earnings (bonuses, discounts, deliveries, cancellations and others). All monies due shall be paid without delay and without unjustified withholdings.

4.10 **Training.** Basic training for direct sellers is obligatory and firms shall provide for their direct sellers comprehensive training in both selling methods and product knowledge. The training programme shall include such subjects as extent of personal involvement, amount of work necessary for certain returns, expected expenses and other commitments and considerations. This initial and basic training shall be provided without charge. Any charges imposed for further training shall be reasonable.

4.11 **Regular payments.** Should any regular payment or purchase be required to belong to a marketing programme, the direct seller shall be given the right to cancel the arrangement without any notice period. The cancellation shall be given in writing.

5. CODE ADMINISTRATION

5.1 Firms should—

- (a) exercise responsibility for compliance of this Code over each of their direct sellers;
- (b) be able to impose disciplinary measures on those who violate their policies;
- (c) if necessary, remove those who continue to infringe their policies and rules, and
- (d) ensure that effective methods are employed to handle customer complaints.

5.2 A committee shall be appointed by the Business Practices Committee who are experienced and knowledgeable in matters concerned with direct sales in South Africa. This committee shall act as Code Administrator and shall establish complaint handling procedures.

SCHEDULE**CONVENTION ABOLISHING THE REQUIREMENT OF LEGALISATION FOR FOREIGN PUBLIC DOCUMENTS**

The States signatory to the present Convention,

Desiring to abolish the requirement of diplomatic or consular legalisation for foreign public documents,

Have resolved to conclude a Convention to this effect and have agreed upon the following provisions:

Article 1

The present Convention shall apply to public documents which have been executed in the territory of one contracting State and which have to be produced in the territory of another contracting State.

For the purposes of the present Convention, the following are deemed to be public documents:

- (a) documents emanating from an authority or an official connected with the courts or tribunals of the State, including those emanating from a public prosecutor, a clerk of the court or a process server ("huissier de justice");

(b) administrative documents;

(c) notarial acts;

(d) official certificates which are placed on documents signed by persons in their private capacity, such as official certificates recording the registration of a document or the fact that it was in existence on a certain date and official and notarial authentications of signatures.

However, the present Convention shall not apply:

(a) to documents executed by diplomatic or consular agents;

(b) to administrative documents dealing directly with commercial or customs operations.

Article 2

Each contracting State shall exempt from legalisation documents to which the present Convention applies and which have to be produced in its territory. For the purposes of the present Convention, legalisation means only the formality by which the diplomatic or consular agents of the country in which the document has to be produced certify the authenticity of the signature, the capacity in which the person signing the document has acted and, where appropriate, the identity of the seal or stamp which it bears.

Article 3

The only formality that may be required in order to certify the authenticity of the signature, the capacity in which the person signing the document has acted and, where appropriate, the identity of the seal or stamp which it bears, is the addition of the certificate described in Article 4, issued by the competent authority of the State from which the document emanates.

However, the formality mentioned in the preceding paragraph cannot be required when either the laws, regulations, or practice in force in the State where the document is produced or an agreement between two or more contracting States have abolished or simplified it, or exempt the document itself from legalisation.

Article 4

The certificate referred to in the first paragraph of Article 3 shall be placed on the document itself or on an "allonge"; it shall be in the form of the model annexed to the present Convention.

It may, however, be drawn up in the official language of the authority which issues it. The standard terms appearing therein may be in a second language also. The title "Apostille (Convention de La Haye du 5 octobre 1961)" shall be in the French language.

Article 5

The certificate shall be issued at the request of the person who has signed the document or of any bearer.

When properly filled in, it will certify the authenticity of the signature, the capacity in which the person signing the document has acted and, where appropriate, the identity of the seal or stamp which the document bears.

The signature, seal and stamp on the certificate are exempt from all certification.

Article 6

Each contracting State shall designate by reference to their official function, the authorities who are competent to issue the certificate referred to in the first paragraph of Article 3.

It shall give notice of such designation to the Ministry of Foreign Affairs of the Netherlands at the time it deposits its instrument of ratification or of accession or its declaration of extension. It shall also give notice of any change in the designated authorities.

Article 7

Each of the authorities designated in accordance with Article 6 shall keep a register or card index in which it shall record the certificates issued, specifying:

(a) the number and date of the certificate,

(b) the name of the person signing the public document and the capacity in which he has acted, or in the case of unsigned documents, the name of the authority which has affixed the seal or stamp.

At the request of any interested person, the authority which has issued the certificate shall verify whether the particulars in the certificate correspond with those in the register or card index.

Article 8

When a treaty, convention or agreement between two or more contracting States contains provisions which subject the certification of a signature, seal or stamp to certain formalities, the present Convention will only override such provisions if those formalities are more rigorous than the formality referred to in Articles 3 and 4.

Article 9

Each contracting State shall take the necessary steps to prevent the performance of legalisations by its diplomatic or consular agents in cases where the present Convention provides for exemption.

Article 10

The present Convention shall be open for signature by the States represented at the Ninth session of the Hague Conference on Private International Law and Iceland, Ireland, Liechtenstein and Turkey.

It shall be ratified, and the instruments of ratification shall be deposited with the Ministry of Foreign Affairs of the Netherlands.

Article 11

The present Convention shall enter into force on the sixtieth day after the deposit of the third instrument of ratification referred to in the second paragraph of Article 10.

The Convention shall enter into force for each signatory State which ratifies subsequently on the sixtieth day after the deposit of its instrument of ratification.

Article 12

Any State not referred to in Article 10 may accede to the present Convention after it has entered into force in accordance with the first paragraph of Article 11. The instrument of accession shall be deposited with the Ministry of Foreign Affairs of the Netherlands.

Such accession shall have effect only as regards the relations between the acceding State and those contracting States which have not raised an objection to its accession in the six months after the receipt of the notification referred to in sub-paragraph (d) of Article 15. Any such objection shall be notified to the Ministry of Foreign Affairs of the Netherlands.

The Convention shall enter into force as between the acceding State and the States which have raised no objection to its accession on the sixtieth day after the expiry of the period of six months mentioned in the preceding paragraph.

Article 13

Any State may, at the time of signature, ratification or accession, declare that the present Convention shall extend to all the territories for the international relations of which it is responsible, or to one or more of them. Such a declaration shall take effect on the date of entry into force of the Convention for the State concerned.

At any time thereafter, such extensions shall be notified to the Ministry of Foreign Affairs of the Netherlands.

When the declaration of extension is made by a State which has signed and ratified, the Convention shall enter into force for the territories concerned in accordance with Article 11. When the declaration of extension is made by a State which has acceded, the Convention shall enter into force for the territories concerned in accordance with Article 12.

Article 14

The present Convention shall remain in force for five years from the date of its entry into force in accordance with the first paragraph of Article 11, even for States which have ratified it or acceded to it subsequently.

If there has been no denunciation, the Convention shall be renewed tacitly every five years.

Any denunciation shall be notified to the Ministry of Foreign Affairs of the Netherlands at least six months before the end of the five year period.

It may be limited to certain of the territories to which the Convention applies.

The denunciation will only have effect as regards the State which has notified it. The Convention shall remain in force for the other contracting States.

Article 15

The Ministry of Foreign Affairs of the Netherlands shall give notice to the States referred to in Article 10, and to the States which have acceded in accordance with Article 12, of the following:

- (a) The notifications referred to in the second paragraph of Article 6;

(b) the signatures and ratifications referred to in Article 10;

(c) the date on which the present Convention enters into force in accordance with the first paragraph of Article 11;

(d) the accessions and objections referred to in Article 12 and the date on which such accessions take effect;

(e) the extensions referred to in Article 13 and the date on which they take effect;

(f) the denunciation referred to in the third paragraph of Article 14.

In witness whereof the undersigned, being duly authorised thereto, have signed the present Convention.

Done at The Hague the 5th October 1961, in French and in English, the French text prevailing in case of divergence between the two texts, in a single copy which shall be deposited in the archives of the Government of the Netherlands, and of which a certified copy shall be sent, through the diplomatic channel, to each of the States represented at the Ninth session of the Hague Conference on Private International Law and also to Iceland, Ireland, Liechtenstein and Turkey.

BYLAE

**KONVENSIE TER AFSKAFFING VAN DIE VEREISTE VAN ATTESTASIE VIR
BUITELANDSE OPENBAREDOKUMENTE**

Die ondertekende State by die huidige konvensie,

Uit 'n begeerte om die vereiste van diplomatieke of konsulêre attestasie vir buitelandse openbare dokumente af te skaf,

Het besluit om 'n Konvensie te dien effekte aan te gaan, en het op die volgende bepalings ooreengekom:

Artikel 1

Die huidige Konvensie is van toepassing op openbare dokumente wat verly is op die grondgebied van een kontrakterende Staat, en wat op die grondgebied van 'n ander kontrakterende Staat voorgelê moet word.

Vir die doeleindes van die huidige Konvensie word die volgende geag openbare dokumente te wees:

- (a) Dokumente wat afkomstig is van 'n owerheid of 'n beampte wat verbonde is aan die howe of tribunale van die Staat, met inbegrip van dié afkomstig van 'n staatsaanklaer, 'n klerk van 'n hof of 'n prosesstukbeteenaar;
- (b) administratiewe dokumente;
- (c) notariële aktes;
- (d) amptelike sertifikate wat aangebring word op dokumente onderteken deur persone in hulle private hoedanigheid, soos amptelike sertifikate ter boekstaving van die registrasie van 'n dokument of die feit dat dit op 'n sekere datum bestaan het, en amptelike en notariële waarmarkings van handtekeninge.

Die huidige Konvensie is egter nie van toepassing nie:

- (a) op dokumente wat deur diplomatieke of konsulêre agente verly is;
- (b) op administratiewe dokumente wat direk handel met kommersiële of doeanebedrywighede.

Artikel 2

Elke kontrakterende Staat moet dokumente waarop die huidige Konvensie van toepassing is en wat op sy grondgebied voorgelê moet word, van attestasie vrystel. Vir die doeleindes van die huidige Konvensie, beteken attestasie slegs die formaliteit waardeur die diplomatieke of konsulêre agente van die land waarin die dokumente voorgelê moet word die egtheid van die handtekening, die hoedanigheid waarin die persoon wat die dokument onderteken het, opgetree het en, waar van toepassing, die identiteit van die seël of stempel wat dit dra, sertificeer.

Artikel 3

Die enigste formaliteit wat vereis kan word ten einde die egtheid van die handtekening, die hoedanigheid waarin die persoon wat die dokument onderteken het, opgetree het en, waar van toepassing, die identiteit van die seël of stempel wat dit dra, te sertificeer, is die byvoeging van die sertifikaat beskryf in Artikel 4, wat uitgereik is deur die bevoegde owerheid van die Staat waarvan die dokument afkomstig is.

Die formaliteit in voorgaande paragraaf genoem, kan egter nie vereis word nie wanneer hetsy die wette, regulasies, of praktyk van krag in die Staat waar die dokument voorgelê word, of 'n ooreenkoms tussen twee of meer kontrakterende State dit afgeskaf of vereenvoudig het, of die dokument van attestasie vrygestel het.

Artikel 4

Die sertifikaat in die eerste paragraaf van Artikel 3 bedoel, moet op die dokument self of op 'n verlengstuk aangebring word; dit moet in die vorm wees van die model wat by die huidige Konvensie aangeheg is.

Dit kan egter opgestel word in die amptelike taal van die owerheid wat dit uitreik. Die standaardbepalings wat daarin verskyn, kan ook in 'n tweede taal wees. Die titel "Apostille (Convention de La Haye du 5 octobre 1961)" moet in Frans wees.

Artikel 5

Die sertifikaat moet op versoek van die persoon wat die dokument onderteken het, of van enige draer uitgereik word.

Wanneer behoorlik ingevul, sal dit die egtheid van die handtekening, die hoedanigheid waarin die persoon wat die dokument onderteken het, opgetree het en, waar van toepassing, die identiteit van die seël of stempel wat dit dra, sertificeer.

Die handtekening, seël en stempel op die sertifikaat word van alle sertifisering vrygestel.

Artikel 6

Elke kontrakterende Staat moet met verwysing na hulle amptelike werksaamhede die owerhede aanwys wat bevoeg is om die sertifikaat in die eerste paragraaf van Artikel 3 bedoel, uit te reik.

Kennis van sodanige aanwysing moet aan die Ministerie van Buitelandse Sake van die Nederlande gegee word wanneer die instrument van ratifikasie of toetreden of die verklaring van uitbreiding gedeponeer word. Kennis van enige verandering van die aangewese owerhede moet ook gegee word.

Artikel 7

Elk van die owerhede aangewys ooreenkomstig Artikel 6, moet 'n register of kaartindeks hou waarin die uitgereikte sertifikate aangeteken word en wat die volgende spesifieer:

- (a) die nommer en datum van die sertifikaat,

(b) die naam van die persoon wat die openbare dokument onderteken het en die hoedanigheid waarin hy opgetree het, of in die geval van ongetekende dokumente, die naam van die owerheid wat die seël of stempel, aangebring het.

Op versoek van enige belanghebbende persoon moet die owerheid wat die sertifikaat uitgereik het, verifieer of die besonderhede in die sertifikaat ooreenstem met dié in die register of kaartindeks.

Artikel 8

Wanneer 'n verdrag, konvensie of ooreenkoms tussen twee of meer kontrakterende State bepalings bevat wat die sertifisering van 'n handtekening, seël of stempel aan sekere formaliteite onderwerp, sal die huidige Konvensie sodanige bepalings slegs neutraliseer indien daardie formaliteite strenger is as die formaliteite in Artikels 3 en 4 bedoel.

Artikel 9

Elke kontrakterende Staat moet die nodige stappe, neem om die verrigting van attestasies deur sy diplomatieke of konsulêre agente te voorkom in gevalle waar die huidige Konvensie vir vrystelling voorsiening maak.

Artikel 10

Die huidige Konvensie is oop vir ondertekening deur die State verteenwoordig by die Negende sitting van die Den Haagse Konferensie oor Private Internasjonale Reg en Ysland, Ierland, Liechtenstein en Turkye.

Dit moet geratificeer word en die instrumente van ratifikasie moet gedeponeer word by die Ministerie van Buitelandse Sake van die Nederlande.

Artikel 11

Die huidige Konvensie tree in werking op die sestigste dag na die deponering van die derde instrument van ratifikasie in die tweede paragraaf van Artikel 10 bedoel.

Die Konvensie tree in werking vir elke ondertekenende Staat wat daarna ratificeer, op die sestigste dag na die deponering van sy instrument van ratifikasie.

Artikel 12

Enige Staat nie in Artikel 10 bedoel nie, kan tot die huidige Konvensie toetree na dit ooreenkomstig die eerste paragraaf van Artikel 11 in werking getree het. Die instrument van toetreden moet gedeponeer word by die Ministerie van Buitelandse Sake van die Nederlande.

Sodanige toetreden is van krag slegs met betrekking tot die betrekkinge tussen die toetredende Staat en dié kontrakterende State wat nie binne die ses maande na ontvangs van die kennisgewing bedoel in subparagraph (d) van Artikel 15 beswaar teen sy toetreden aangeteken het nie. Die Ministerie van Buitelandse Sake van die Nederlande moet in kennis gestel word van enige sodanige beswaar.

Die Konvensie tree in werking soos tussen die toetredende Staat en die State wat geen beswaar tot sy toetreden aangeteken het nie, op die sestigste dag na die verstryking van die tydperk van ses maande in voorgaande paragraaf genoem.

Artikel 13

Enige Staat kan ten tyde van ondertekening, ratifikasie of toetreden verklaar dat die huidige Konvensie uitgebrei word na al die grondgebiede waarvoor hy ten opsigte van internasjonale betrekkinge verantwoordelik is, of na een of meer daarvan. So 'n verklaring word van krag op die datum van inwerkingtreding van die Konvensie vir die betrokke Staat.

Te eniger tyd daarna moet die Ministerie van Buitelandse Sake van die Nederlande van sodanige uitbreidings in kennis gestel word.

Wanneer die verklaring van uitbreiding gemaak word deur 'n Staat wat onderteken en geratificeer het, tree die Konvensie in werking vir die betrokke grondgebiede ooreenkomstig Artikel 11. Wanneer die verklaring van uitbreiding gemaak word deur 'n Staat wat toegetree het, tree die Konvensie in werking vir die betrokke grondgebiede ooreenkomstig Artikel 12.

Artikel 14

Die huidige Konvensie bly van krag vir vyf jaar vanaf die datum van sy inwerkingtreding ooreenkomstig die eerste paragraaf van Artikel 11, selfs vir State wat dit eers daarna geratificeer of daartoe toegetree het.

Indien daar geen opseggings is nie, word die Konvensie elke vyf jaar stilstwyend hernu.

Die Ministerie van Buitelandse Sake van die Nederlande moet minstens ses maande voor die einde van die tydperk van vyf jaar kennis gegee word van enige opseggings.

Dit kan beperk word tot sekere van die grondgebiede waarop die Konvensie van toepassing is.

Die opseggings sal net van krag wees met betrekking tot die Staat wat daarvan kennis gegee het. Die Konvensie bly van krag vir die ander kontrakterende State.

Artikel 15

Die Ministerie van Buitelandse Sake van die Nederlande moet aan die State bedoel in Artikel 10, en aan die State wat ooreenkomstig Artikel 12 toegetree het, kennis gee van die volgende:

- (a) die kennisgewings bedoel in die tweede paragraaf van Artikel 6;
- (b) die handtekeninge en ratifikasies in Artikel 10 bedoel;
- (c) die datum waarop die huidige Konvensie in werking tree ooreenkomstig die eerste paragraaf van Artikel 11;
- (d) die toetredes en besware in Artikel 12 bedoel en die datum waarop sodanige toetredes van krag word;
- (e) die uitbreidings in Artikel 13 bedoel en die datum waarop hulle in werking tree;
- (f) die opseggings in die derde paragraaf van Artikel 14 bedoel.

Ten bewyse waarvan die ondergetekendes, behoorlik daartoe gemagtig, die huidige Konvensie onderteken het.

Gedoen, in enkelvoud, te Den Haag op hede die Vyfde dag van Oktober 1961, in Frans en Engels, met die Franse teks wat geld in die geval van afwyking tussen die twee tekste, wat gedeponeer moet word in die argief van die Regering van die Nederlande, en waarvan 'n gesertifiseerde afskrif gestuur moet word, deur die diplomatieke kanaal, aan elk van die State wat verteenwoordig was by die Negende sitting van die Den Haagse Konferensie oor Private Internasionale Reg, en ook aan Ysland, Ierland, Liechtenstein en Turkye.

BELASTING OP TOEGEVOEGDE WAARDE (BTW): HANTERING VAN DIE LEWERING VAN GEDROOGDE MIELIES EN MIELIEPRODUKTE

As gevolg van die wysiging aan die Somergraan-skema deur Goewermentskennisgewings gepubliseer in Staatskoerant No. 16363 van 13 April 1995 en die beëindiging van die eenkanaalbemarkingstelsel van mielies deur die Mielieraad het dit nodig geword om Praktyknota No. 6, uitgereik op 13 Desember 1991, terug te trek en met hierdie Praktyknota te vervang.

For the purposes of this practice note maize means the dried seed of the plants *zea mays indurata* and *zea mays indentata* or any one or more crossings thereof or a mixture of the dried seeds of such plants, but excluding pop corn (*zea mays everta*) or green mealies for human consumption.

As from 1 September 1995 the following guidelines will apply in connection with the supply of dried maize and maize products:

(1) The supply of dried maize to VAT registered vendors is subject to VAT at the rate of zero per cent, provided the VAT registration number of the purchaser is entered on the tax invoice of the supplier. This arrangement is made in terms of section 72 of the Value-Added Tax Act, 1991.

(2) The supply of maize meal, samp, mealie rice and dried silo screened mealies or dried mealies for human consumption is in terms of the provisions of section 11 (1) (j) of the Act, read with the relevant items of PART B of Schedule 2 to the Act, chargeable with VAT at the rate of zero per cent.

(3) The supply for agricultural, pastoral or other farming purposes of any maize and maize product intended for use by farmers as animal feed or seed in a form used for cultivation, which farmers must produce a notice of registration containing the necessary authorisation, is in terms of section 11 (1) (g) of the Act, read with the provisions of items 1 (a) (iv) and 6 of paragraph 1 of PART A of Schedule 2 to the Act and paragraph 2 of PART A of the afore-mentioned schedule, chargeable with VAT at the rate of zero per cent.

(4) The supply of dried maize and maize products not falling within any of the above-mentioned paragraphs, is chargeable with VAT at the standard rate.

COMMISSIONER FOR INLAND REVENUE,
PRETORIA.

(18 August 1995)

Vir die doeleindes van hierdie praktyknota beteken mielies die gedroogde saad van die plante *zea mays indurata* en *zea mays indentata* of enige een of meer kruisings daarvan of 'n mengsel van die gedroogde saad van sodanige plante, maar uitgesonderd spring-mielies (*zea mays everta*) of groenmielies vir menslike verbruik.

Met ingang van 1 September 1995 geld die volgende riglyne met betrekking tot die lewering van gedroogde mielies en mielieprodukte:

(1) Die lewering van gedroogde mielies aan BTW-geregistreerde ondernemers is aan BTW teen die nulkoers onderhewig, op voorwaarde dat die BTW-registrasienommer van die koper op die belastingfaktuur van die verkoper aangebring word. Hierdie reëling is ingevolge artikel 72 van die Wet op Belasting op Toegevoegde Waarde, 1991, gegee.

(2) Die lewering van mieliemeel, stampmielies, mieliers en gedroogde siloskoongemaakte mielies of gedroogde mielies vir menslike verbruik is ingevolge die bepalings van artikel 11 (1) (j) van die Wet, saamgelees met die toepaslike items van Deel B van Bylae 2 by die Wet, aan BTW teen die nulkoers onderhewig.

(3) Die lewering vir landbou-, veeboerdery- of ander boerderydoeleindes van enige mielies en mielieprodukte bedoel om gebruik te word as diervoedsel of saad in 'n vorm wat vir kweking aan boere gelewer word, wat 'n kennisgewing van registrasie waarin die nodige magtiging verleen is, moet voorlê, is ingevolge artikel 11 (1) (g) van die Wet, saamgelees met die bepalings van items 1 (a) (iv) en 6 van paragraaf 1 van Deel A van Bylae 2 by die Wet en paragraaf 2 van Deel A van die voorafgenoemde bylae, aan BTW teen die nulkoers onderhewig.

(4) Die lewering van gedroogde mielies en mielieprodukte wat nie in enige van die bovenoemde paragrawe val nie, is aan BTW teen die standaardkoers onderhewig.

KENNISGEWING 791 VAN 1995**RAAD OP TARIEWE EN HANDEL****KENNISGEWING VAN INISIËRING VAN 'N ONDERSOEK NA DIE BEWEERDE DUMPING VAN KLEEFBARE SANITÈRE DOEKIES INGEVOER UIT OF AFKOMSTIG VAN HONGARYE**

Die Raad op Tariewe en Handel het 'n klagte ontvang waarin beweer word dat kleefbare sanitêre doeckies, ingevoer uit of afkomstig van Hongarye, op die Suid-Afrikaanse mark gedump word en wesentlike skade aan die betrokke Suid-Afrikaanse nywerheid veroorsaak.

Petitioner

The petition was lodged by Carlton Paper of South Africa (Pty) Ltd, which is the biggest manufacturer of adhesive sanitary pads in the Republic of South Africa. The petitioner alleges that it is unable to compete with the low price of the imported product and is therefore suffering material injury. The petitioner submitted sufficient evidence to justify an investigation of the allegation.

Products

The product allegedly being dumped is adhesive sanitary pads, classifiable under tariff subheadings 4818.40 and 5601.10, imported from or originating in Hungary.

Allegation of dumping

The allegation of dumping is based on a comparison between a price list in Hungary and the calculated f.o.b. prices for export to the Republic. On this basis, the estimated dumping margin is significant.

Allegation of material injury

With regard to material injury the petitioner alleges, and has submitted sufficient evidence, that the imports in question are suppressing its price and are gaining market share at the expense of the petitioner. It is further alleged that the prices at which these imports are sold in the Republic are significantly undercutting the prices of the South African producer.

Procedure

Having decided that there is sufficient evidence to justify the initiation of an investigation, the Board has begun an investigation in terms of section 4 of the Board on Tariffs and Trade Act, 1986. Interested parties may submit their views by completing the relevant questionnaire (of which copies are obtainable at the Offices of the Board) and by providing supporting evidence. Parties who wish to discuss this matter should contact the Investigating Officer.

Time-limit

Any information regarding this matter and any arguments concerning the allegation of dumping and the resulting material injury, must be submitted in writing and must reach the Chairman, Board on Tariffs and Trade, Private Bag X753, Pretoria, 0001, not later than 30 days following the publication of this notice or, in the case of parties known to be interested, 30 days following the date on which the letter accompanying the above-mentioned questionnaire was received. The said letter shall be deemed to have been received seven days after the date of the letter.

If the required information and arguments are not received in a satisfactory form within the time-limit specified above, the Board may make provisional or final findings on the basis of the facts available to it.

Enquiries may be directed to the Investigating Officers, Mrs S. Takács, at telephone (012) 310-9827, and Mr F. Dubbelman, at telephone (012) 310-9816.

Petisionaris

Die petisie is deur Carlton Paper of South Africa (Edms.) Bpk., die grootste vervaardiger van kleefbare sanitêre doekies in die Republiek van Suid-Afrika, ingedien. Die petisionaris beweer dat hy nie teen die lae prys van die ingevoerde produk kan meeding nie, en sodoende wesenlike skade ervaar. Voldoende bewys om 'n ondersoek van die bewering te regverdig is deur die petisionaris ingedien.

Produkte

Die produk wat na bewering gedump word, is kleefbare sanitêre doekies, indeelbaar by tariefsubposte 4818.40 en 5601.10, ingevoer uit of afkomstig van Hongarye.

Bewering van dumping

Die bewering van dumping is gebaseer op 'n vergelyking tussen 'n pryslys in Hongarye en die berekende prys vry aan boord vir uitvoer na Suid-Afrika. Op hierdie basis is die beraamde marge van dumping aansienlik.

Die bewering van wesenlike skade

Met betrekking tot wesenlike skade beweer die petisionaris, en het hy voldoende bewys daarvan gelewer, dat die betrokke invoer sy prys onderdruk en markaandeel wen ten koste van die petitionaris. Daar word verder beweer dat die prys waarteen die ingevoerde produkte in die Republiek verkoop word, die prys van die Suid-Afrikaanse vervaardiger in hoë mate ondersny.

Prosedure

Na die besluit dat daar voldoende bewys ter regverdiging van die inisiëring van die ondersoek is, het die Raad begin met 'n ondersoek ingevolge artikel 4 van die Wet op die Raad op Tariewe en Handel, 1986. Belanghebbende partye kan hul siening skriftelik voorlê deur die invul van die toepaslike vraelys (waarvan afskrifte by die Raad se Kantoor beskikbaar is) en deur die voorlegging van stawende bewyse. Partye wat die saak wil bespreek, moet met die Ondersoekbeampte in verbinding tree.

Tydsbeperking

Enige inligting in verband met die saak en enige argumente rakende die bewering van dumping en die wesenlike skade voortspruitend daaruit moet skriftelik ingedien word en moet die Voorsitter, Raad op Tariewe en Handel, Privaat Sak X753, Pretoria, 0001, nie later nie as 30 dae na die datum van publikasie van hierdie kennisgewing bereik of, in die geval van partye van wie dit bekend is dat hulle betrokke is, 30 dae na die datum waarop die brief wat bogenoemde vraelys vergesel, ontvang is. Genoemde brief sal geag word ontvang te gewees het sewe dae na die datum van die brief.

Indien die vereiste inligting en argumente nie in 'n bevredigende vorm binne die gespesifieerde tydsbeperking ontvang word nie, mag die Raad voorlopige of finale bevindings maak op grond van die feite tot sy beskikking.

Navrae moet aan die Ondersoekbeamptes, mev. S. Takács, by telefoon (012) 310-9827 en mnr. F. Dubbelman, by telefoon (012) 310-9816 gerig word.
