I, Barbara Dallas Creecy, Minister of Forestry, Fisheries and the Environment hereby issue the Directions set out in the Schedule in terms of regulation 4(10) of the Regulations issued by the Minister of Cooperative Governance and Traditional Affairs in terms of section 27(2) of the Disaster Management Act, 2002 ([Act No. 57 of 2002](#)) and published on 29 April 2020 in Government Notice No. R. 480 of *Government Gazette* No. 43258.

Barbara Dallas Creecy

Minister of Forestry, Fisheries and the Environment

## 1. Definitions

In these Directions, any word or expression to which a meaning has been assigned in the Regulations, the National Environmental Management Act, the National Environmental Management: Waste Act, the National Environmental Management: Air Quality Act, the Environmental Impact Assessment Regulations, the National Appeal Regulations and the Waste Tyre Regulations, bears the meaning so assigned and, unless the context otherwise indicates—

"**Annexure**" or "Annexures" means an Annexure or the Annexures attached to these Directions;

"**Environmental Impact Assessment Regulations**" means the Environmental Impact Assessment Regulations issued in terms of sections 24(5) and 44 of the National Environmental Management Act and published on 4 December 2014 in Government Notice No. R 982 of *Government Gazette* No. 38282;

"**National Appeal Regulations**" means the National Appeal Regulations issued in terms of section 44(1) (a), read with section 43(4) of the National Environmental Management Act and published on 8 December 2014 in Government Notice No. R. 993 of *Government Gazette* No. 38303;

"**National Environmental Management Act**" means the National Environmental Management Act, 1998 ([Act No. 107 of 1998](#));

"**National Environmental Management: Air Quality Act**" means the National Environmental Management: Air Quality Act, 2004 ([Act No. 39 of 2004](#));

"**National Environmental Management: Waste Act**" means the National Environmental Management: Waste Act, 2008 ([Act No. 59 of 2008](#));

**"Regulations"** means the Regulations issued in terms of section 27(2) of the Disaster Management Act, 2002 ([Act No. 57 of 2002](#)) and published on 29 April 2020 in Government Notice No. R. 480 of *Government Gazette* No. 43258;

**"repealed Directions"** means the Directions published in Government Notice No. 439 on 31 March 2020 in *Government Gazette* No. 43190;

**"Waste Tyre Regulations"** means the Waste Tyre Regulations issued in terms of section 69 (1)(b), (e) and (ee) of the National Environmental Management: Waste Act and published on 29 September 2017 in Government Notice No 1064 of *Government Gazette* No. 41157.

## 2. Purpose

The purpose of these Directions is to curtail the threat posed by the COVID-19 pandemic and to alleviate, contain and minimise the effects of the national state of disaster, and in particular to provide directions to ensure fair licensing processes and public participation processes as required by the laws contemplated in paragraphs 5 to 8 of these Directions.

## 3. Application

3.1 These Directions apply to—

- (a) all national, local and provincial authorities who are responsible for or involved in the processes listed in paragraphs 5 to 8;
- (b) all proponents, applicants, appellants, environmental assessment practitioners, specialists, companies, interested and affected parties, commenting authorities, stack emission testers or other professionals obtaining the services or involved in the processes listed in paragraphs 5 to 8;
- (c) other parties obtaining the services or involved in the processes listed in paragraphs 5 to 8 or holders of authorisations and licences related to the matters dealt with in paragraph 5 to 8.

3.2 Where any of the licensing authorities or competent authorities affected by these Directions has publicly indicated that a different arrangement applies in respect of paragraphs 4.1, 4.2, 4.3 and 4.4 such an arrangement will prevail over any arrangement indicated in these Directions.

## 4. Extension of timeframes

4.1 The timeframes contemplated in paragraphs 5.1 and 5.2 (a), (b) and (d) of the repealed Directions, for which services and actions are not undertaken from the date of publication of these Directions as referred to in any of the Annexures, remain extended, or deemed to be extended, by the number of days calculated from 27 March 2020 until further notice.

4.2 Authorisations for the export of waste tyres issued in terms of regulation 4(e) of the Waste Tyre Regulations which expired between 27 March 2020 and the date of publication of these Directions, remain valid—

- (a) subject to a new application being submitted, as set out in Annexure 1, within 60 days from the date of publication of these Directions; and
- (b) until such time as a decision on such new application has been issued.

4.3 Timeframes or periods extended in terms of the repealed Directions, for any services and actions referred to in the Annexures which were suspended on 27 March 2020 and are now resumed in terms of these Directions, are extended or deemed to be extended by an additional 21 days or such further date as may be determined by the relevant authority.

- 4.4 The prescribed timeframes of any services and actions referred to in the Annexures initiated after the date of publication of these Directions are extended or deemed to be extended by a period of 30 days, on condition that where a service or action can be concluded within a shorter timeframe, it may be concluded within such shorter timeframe and on condition that the relevant authority may determine that a specific action must be performed by a specific date.

## **5. Applications and actions undertaken in terms of the Environmental Impact Assessment Regulations**

- 5.1 Authorities responsible for the processing of applications contemplated in the Environmental Impact Assessment Regulations, which are allowed in accordance with the Regulations will be receiving such applications from the date of publication of these Directions in the *Government Gazette* and will receive and process applications and issue decisions in the manner as set out in Annexure 2.
- 5.2 The additional requirements in Annexure 3 in respect of the provision, supporting or obtaining of services contemplated in subparagraph 5.1 apply as indicated.

## **6. Applications and actions undertaken in terms of the National Environmental Management: Waste Act and the Waste Tyre Regulations**

- 6.1 Authorities responsible for the processing of applications contemplated in the National Environmental Management: Waste Act, which are allowed in accordance with Regulations will be receiving such applications from the date of publication of these Directions in the *Government Gazette* and will receive and process applications and issue decisions to the extent and in the manner as set out in Annexure 4.
- 6.2 The additional requirements in Annexure 3 in respect of the provision, supporting or obtaining of services contemplated in subparagraph 6.1 apply as indicated.
- 6.3 Authorities responsible for the processing of applications for the amendment of orders to remediate contaminated land in terms of section 38 of the National Environmental Management: Waste Act will be receiving such applications from the date of publication of these Directions in the *Government Gazette* and will receive and process applications and issue decisions to the extent and in the manner set out in Annexure 5.
- 6.4 Authorities responsible for the processing of applications for the export of waste tyres in terms of the Waste Tyre Regulations will be receiving such applications from the date of publication of these Directions in the *Government Gazette* and will receive and process applications and issue decisions to the extent and in the manner as set out in Annexure 1.

## **7. Applications and actions undertaken in terms of the National Environmental Management: Air Quality Act**

- 7.1 Authorities responsible for the processing of applications contemplated in the National Environmental Management: Air Quality Act which are allowed in accordance with the Regulations will be receiving such applications from the date of publication of these Directions in the *Government Gazette* and will be receiving and processing applications and issue decisions to the extent and in the manner as set out in Annexure 6 to these Directions.
- 7.2 The additional requirements in Annexure 7 in respect of the provision, supporting or obtaining of services contemplated in subparagraph 7.1 apply as indicated.

## **8. Appeals contemplated in the National Appeal Regulations**

Authorities responsible for the processing of appeals contemplated in the National Appeal Regulations which are allowed in accordance with the Regulations will be receiving such appeals from the date of publication of these Directions in the *Government Gazette* and will receive and process appeals and issue decisions to the extent and in the manner as set out in Annexure 8.

## **9. Repeal of Directions**

The Directions published in Government Notice No. 439 on 31 March 2020 in *Government Gazette* No. 43190 are hereby repealed.

## **10. Commencement and duration**

These Directions come into effect on the date of publication in the *Government Gazette*, and will apply during Alert Level 3.

### **Permitting services to be provided by issuing authorities in terms of the National Environmental Management Act and the Environmental Impact Assessment Regulations**

#### *General provisions:*

1. The provision of services indicated in the table below, in addition to the specific requirements indicated in the table, is subject to all the applicable health and safety and other restrictions, directions and requirements determined in terms of section 27(2) of the Disaster Management Act.
2. If there is any uncertainty about whether an activity is allowed or not, the relevant official of the applicable authority should be approached for guidance and/or confirmation.
3. At all times it must be ensured that reasonable opportunity is provided for public participation and that all administrative actions are reasonable. While the COVID-19 pandemic is a unique circumstance, the specific circumstances in each case must be considered in order to determine what will be reasonable. If in the circumstances of a particular case reasonable alternative methods to give notice to potential interested and affected parties are available, then the relevant competent authority can be approached for an agreement in this regard as provided for in regulation 41(2)(e) of the Environmental Impact Assessment Regulations, as per the table below.

### Annexure 3

**Services to be provided or obtained by proponent, applicants, environmental assessment practitioners (EAPs), specialists, professionals undertaking actions as part of the environmental authorisation process and organs of state as commenting authorities required in terms of the National Environmental Management Act, the National Environmental Management: Waste Act, and the Environmental Impact Assessment Regulations, (EIA Regulations)**

#### *General provisions*

1. The provision or obtaining of services indicated in the table below, in addition to the specific requirements indicated in the table, is subject to all the applicable health and safety and other restrictions, directions and requirements determined in terms of section 27(2) of the Disaster Management Act.
2. Where any hard copies of documents are submitted, such documents must be sanitized.
3. If there is any uncertainty about whether an activity is allowed or not, the relevant official of the applicable authority should be approached for guidance and/or confirmation.
4. At all times it must be ensured that reasonable opportunity is provided for public participation and that all administrative actions are reasonable. While the COVID-19 pandemic is a unique circumstance, the specific circumstances in each case must be considered in order to determine what will be reasonable. If in the circumstances of a particular case alternative reasonable methods to give notice to potential interested and affected parties (I&APs) are available, then the relevant competent authority can be approached for an agreement in this regard as provided for in Regulation 41(2)(e) of the EIA Regulations, as per the table below.

Activity	Requirements
<p>Request a meeting with the competent authority, including pre-application discussions or meetings to discuss adherence to Chapter 6 of the EIA Regulations, including, if applicable, proposing alternative reasonable methods in terms of regulation 41(2)(e) of the EIA Regulations, 2014, and reaching agreement on the public participation plan for applications, including new applications or amendments undertaken where adherence to Chapter 6 is required.</p>	<p>A person (proponent/ applicant, specialist, EAP or other professional) who performs the services must:</p> <ul style="list-style-type: none"> <li>- prepare a written public participation plan, containing proposals on how the identification of and consultation with all potential I&amp;APs will be ensured in accordance with regulation 41(2)(a) to (d) of the EIA Regulations or proposed alternative reasonable methods as provided for in regulation 41(2)(e) of the EIA Regulations, for purposes of the application and submit such plan to the competent authority;</li> <li>- request a meeting or pre-application discussion with the relevant competent authority to determine the reasonable measures to be followed to identify potential I&amp;APs and register IA&amp;Ps for purposes of conducting public participation on an application requiring adherence to Chapter 6 of the EIA Regulations as set out in the public participation plan and obtain agreement from the relevant competent authority on the public participation plan;</li> <li>- For new applications, the public participation plan agreed with the competent authority must be annexed to the application form;</li> <li>- Unless part of a site visit, virtual or telephonic meetings to be arranged with the relevant competent authority as set out in Annexure 2.</li> </ul>
<p>Meetings between proponents/ applicants, specialists, EAPs and other professionals</p>	<p>Unless part of a site visit, virtual or telephonic meetings to be arranged.</p>
<p>Site visits</p>	<p>The number of people present at site visits must be restricted as far as possible.</p>
<p>Public participation</p>	<p>Proponents/applicants, EAPs, specialists and professionals, where relevant, must:</p> <ul style="list-style-type: none"> <li>- ensure that all reasonable measures are taken to identify potential I&amp;APs for purposes of conducting public participation on the application; and</li> <li>- ensure that, as far as is reasonably possible, taking into account the specific aspects of the application -</li> </ul> <p>(a) information containing all relevant facts in respect of the application or proposed application is made available to potential I&amp;APs; and</p>

	<p>(b) participation by potential or registered I&amp;APs has been facilitated in such a manner that all potential or registered I&amp;APs are provided with a reasonable opportunity to comment on the application or proposed application.</p> <p>In ensuring the above, applicants and EAPs, in addition to the methods contained in Chapter 6 of the EIA Regulations, or as part of reasonable alternative methods proposed in terms of regulation 41(2)(e) of the EIA Regulations, may make use of the following non-exhaustive list of methods:</p> <p>emails, websites, Zero Data Portals, Cloud Based Services, or similar platforms, direct telephone calls, virtual meetings, newspaper notices, radio advertisements, community representatives, distribution of notices at places that are accessible to potential I&amp;APs.</p>
<p>Make reports available for comment</p>	<p>Reports may not be made available at any public places or premises closed to the public, as contemplated in the Regulations.</p> <p>Hard copies or electronic versions of reports may be made accessible through any of the following non- exhaustive list of methods: websites, Zero Data Portals, community or traditional authorities, Cloud Based Services, provided that all registered I&amp;APs have access to the reports.</p> <p>Reports made available to the competent authority must be made available as indicated by the relevant competent authority in Annexure 2.</p>
<p>Submit reports and documents to competent authority for decision-making on applications requiring adherence to Chapter 6 of the EIA Regulations</p>	<p>Proponents/ applicants or EAPs must, when submitting documents to the competent authority for decision making purposes, submit a declaration indicating that:</p> <ul style="list-style-type: none"> <li>- all reasonable measures have been taken to identify potential I&amp;APs for purposes of conducting public participation on the application;</li> <li>- as far as is reasonably possible and taking into account the specific aspects of the application,</li> </ul> <p>(a) information containing all relevant facts in respect of the application or proposed application has been made available to potential I&amp;APs; and</p> <p>(b) participation by potential or registered I&amp;APs has been facilitated in such a manner that all potential or registered I&amp;APs have been provided with a reasonable opportunity to comment on the application or proposed application; and</p>

	<p>- the public participation plan, as agreed with the competent authority, has been adhered to and indicate any deviations from such agreed plan where relevant;</p> <p>- reports and documents submitted for decision-making purposes must contain the public participation plan as required in Annexure 2.</p>
Notify registered I&APs of a decision made on the application and provide access to the decision	<p>Registered I&amp;APs must be notified of the decision on an application as well as be provided with access to the decision.</p> <p>Hard copies or electronic versions of decisions may be made accessible through any of the following non- exhaustive list of methods: websites, Zero Data Portals, community or traditional authorities, Cloud Based Services, provided that all registered I&amp;APs have access to the decision.</p> <p>The applicant or EAP must provide proof that all registered I&amp;APs have been notified and provided access to the decision.</p>
Conduct specialist studies	<p>In instances where it is not possible for a specialist to conduct an assessment or sampling as required for a specific specialist assessment, the specialist or EAP must engage the relevant competent authority on a case by case basis, as regards the possibility of alternative arrangements. The EAP or specialist must provide the competent authority with a written proposal on how the specific specialist study/ assessment or sampling exercise can be executed and obtain written agreement from the competent authority on the proposal.</p>

#### Annexure 4

### **Permitting services to be provided by issuing authorities in terms of National Environmental Management: Waste Management Act (NEMWA)**

#### *General provisions:*
