GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT No. 30 2010

The Information and Communication Technologies Act, 2009
(Act No. 15 of 2009)
The Information and Communication Technologies (Allocation of 2G Frequencies) Regulations, 2010

IN EXERCISE of the powers contained in section *ninety-one* of the Information and Communication Technologies Act, 2009, the following Regulations are hereby made:

Title

1. These Regulations may be cited as the Information and Communication Technologies (Allocation of 2G Frequencies) Regulations, 2010.

Interpretation

2. In these Regulations, unless the context otherwise requires -

"mobile cellular services" means voice and data services to consumers over mobile cellular networks; and

"mobile cellular service provider" means the holder of a licence to provide a mobile cellular service, including any successor in title thereto.

Frequency allocation

3. (1) The frequency allocation in respect of mobile cellular services shall be as set out in the Schedule.

(2) The Authority may allocate to a mobile cellular service provider such part of the allocated frequency as it may determine.

No exclusive right to frequency

4. (1) The Authority reserves the right to modify, suspend or withdraw frequency or frequencies in accordance with the Act.

(2) For the avoidance of doubt, the allocation of frequency to a mobile cellular service provider shall not—

(*a*) confer on such service provider the monopoly of the use of the frequency; or

(*b*) be construed as conferring on the service provider an exclusive right in respect of such frequency.

Copies of this Statutory Instrument can be obtained from the Government Printer, P.O. Box 30136, 10101 Lusaka. Price K2,000 each.

SCHEDULE
(*Regulation* 3)
