

GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 42 OF 2011

The Provincial and District Boundaries Act
(Laws, Volume 16, Cap. 286)

The Provincial and District Boundaries
(Division) (Amendment) Order, 2011

IN EXERCISE of the powers contained in section *two* of the Provincial and District Boundaries Act, the following Order is hereby made:

1. This Order may be cited as the Provincial and District Boundaries (Division) (Amendment) Order, 2011, and shall be read as one with the Provincial and District Boundaries (Division) Order, 1996, in this Order referred to as the principal Order.

Title
S.I. No. 106
of 1996

2. The First Schedule to the principal Order is amended by the insertion in the appropriate place of the following District:

Amendment
of First
Schedule

Mafinga District—Northern Province

3. The Second Schedule to the principal Order is amended by the insertion in the appropriate place of the following boundary description of—

Amendment
of Second
Schedule

Mafinga District

set out in the Appendix.

Appendix

(Paragraph 3)

Second Schedule

(Paragraph 3)

MAFINGA DISTRICT

Starting at the confluence of Vitukutu Stream and Luangwa River, the boundary follows in the northerly direction along the Luangwa River up to where the road D790 crosses the Luangwa River. Thence the boundary proceeds in the north-easterly direction to a point with provincial coordinates (E528029, N8909406) being the confluence of Luangwa River with Mpembe Stream, thence it follows along Mpembe Stream in the north-easterly direction to a point with provisional coordinates (E528920, N8910911) being the confluence of Mpembe Stream with Kasoa Stream. Thence it proceeds along Kasoa stream in the easterly direction up to a point with provisional coordinates (E540455, N8903539) being the assumed source of the Kasoa Stream. Thence the boundary proceeds in

the easterly direction to join the Mafinga Mountain and Namitawa Hill up to the point where the Namitawa Hill joins the international boundary of Zambia and Malawi on approximate coordinates (E5405126, N8903458). Thence the boundary follows the international boundary in the south easterly direction to join the district boundary of Chama District. Hence the boundary follows the south-westerly direction up to the source of Chire or Luwumbu River and follows downstreams along Chire or Luwumba River up to its confluence with Matendo Stream. Hence it follows a northerly direction for approximately 10 Kilometers to the source of Kamimbe Stream in the Mukutu Hills and continues down the stream in the northerly direction up to its confluence with Chilumbe Stream. Hence it proceed in the north-westerly direction to the source of Vitukutu Stream and down that stream to its confluence with Luangwa river, the starting point.
